

## LOAN DOCUMENTATION

We look forward to helping you secure the mortgage and purchase your home!

Below is a checklist of documentation that is required to be submitted.

Some items are needed initially, others can be provided as they become available (ex: Homeowners insurance). Providing documents as they become available is a good proactive measure to limit delays due to last-minute requests.

Items can be submitted thru personal email or by uploading to a secure dropbox using the link provided.

If you would like additional information about what is required and why, please visit our site: [www.simmortgage.com/mortgage-docs](http://www.simmortgage.com/mortgage-docs).
